Easy to use PC utility for the Sam4s ER-230BEJ cash register. Simply connect your cash register to your PC and you are ready to go!

Take the hassle out of creating new products, updating prices or printing A4 sales reports. Espresso is an easy to use PC utility which allows you to upload your cash register program to your PC, make product changes, create new products and then easily update your cash register.

You can also store historical sales reports for analysing later, change your receipt logo to add promotional messages and update your keyboard.

Distributed in the UK & NI by YCR Distribution Ltd. 01924 438238. Whilst every effort has been made to provide current photographs, descriptions and specifications the manufacturers reserve the right to change specifications, illustrations, model number and appearance of any item without prior notifications and therefore will not be held responsible for any variations.
